The **Chicago Park District's Department of Purchasing** invites MBE & WBE firms to learn more about doing business with us at our Vendor Networking Events. Meet and connect with internal departments to explore possible future business opportunities. Representatives from the Chicago Park District will be in attendance to meet and answer questions. As one of the largest, most interactive public park systems in the world, the Chicago Park District is committed to supporting local minority and women owned businesses. This is an exceptional opportunity to learn how to promote and conduct your business with us.
